*The national average of 45 students per cohort is used to calculate numbers where the planned cohort size is unavailable from developing programs. Many programs do not publish cohort size.

Accreditation Status:

Developing: Not accepting students and are in the active development of a PA program but meet basic accreditation requirements and have been approved by the accrediting body to apply for accreditation.

Provisional: Are planning to enroll students within a year, or have currently enrolled at least the first cohort of students. Provisional accreditation extends throughout enrollment of the first cohort and may last up to 5 years with multiple site visits by the accrediting body.

Continuing: ongoing accreditation for programs that have progressed from provisional status.

Probation: program is not meeting accreditation standards. This status may last for up to two years.
