SUNSET REVIEW OVERSIGHT HEARING

The Physician Assistant Board's joint sunset review oversight hearing by the Senate Committee on Business, Professions and Economic Development and the Assembly Committee on Business and Professions (Committees) will be held on March 9, 2016 in rooms 4202 and 4203 of the State Capitol starting at 9:00 a.m.

The hearing is open to the public. There will be an opportunity for public comment at the hearing.

The Committees are the standing committees of the Legislature that have oversight jurisdiction over the Department of Consumer Affairs and all agencies under the Department, including the Physician Assistant Board.

The purpose of the hearings are to determine whether the state should continue to regulate in this area, and if so, what changes should be made to improve the overall effectiveness and efficiency of these entities to ensure that the interests of California's consumers are protected against incompetent practice or illegal activities of these professionals.
